

Fundraiser Auction of Unique Swimmer Art

MSC recently acquired a very unique piece of artwork from Marie Walsh, a Quebec artist. She is not only an artist, but a traveler and pedagogue. Painting with acrylic, her main topic is Human States that she expresses through gesture, movement, body poses and facial expressions.

MSC is holding an Online/Silent Auction as a fundraiser. The 2'x4' piece will be on display at Nationals in Etobicoke and bidding will close on Sunday, May 22nd at 6:00 pm ET. Those not attending Nationals have an opportunity to bid, as well – see the posting on the MSC Blog at www.mastersswimmingcanada.com for details.

Presidents Challenge – Carol Fitzwilliam has opened the bidding for \$500! She challenges all swimmers to beat her bid in an effort to support Masters Swimming!
